We will start our sharing routine on Monday, October 20th. Sharing is done orally; we do not share toys. Having done it both ways in the past, I have found that sharing verbally generally works better. Toys tend to get lost or damaged. Please help your child plan what he/she would like to share each week. Children love to share about lots of things--what they ate for dinner, funny stories about their pets, places they go, upcoming events, and so on. If your child has a photograph or drawing he/she would like to share, that is OK too. Also, if your child would like to read a book to the class, that is always welcome!

Thank you for your support of this very important part of our day in kindergarten!

Sincerely,
Erin Sorenson
